MEMORANDUM

FROM: Funmi I. Jegede, Public Utilities Analyst *FJ*

SUBJECT: *In the Matter of the Application of WPS Energy Services, Inc., for approval of a name change to Integrys Energy Services, Inc. (Filed March 8, 2007) - PSC Docket No.07-69T*

On March 8, 2007, WPS Energy Services, Inc. ("WPS" or "Company") filed an application with the Commission to change its name to Integrys Energy Services, Inc. ("Integrys"). WPS was granted an Electric Supplier Certification (ESC) by Order No. 7114 in PSC Docket No. 06-368.

WPS acquired Integrys and effectively changed its name on February 21, 2007. WPS has not served any customer in the State of Delaware since obtaining its ESC in January 2007. According to the Company, the name change does not affect WPS/Integrys corporate structure as an electric supplier in Delaware.

The Company's request appears to be reasonable. Staff therefore, recommends that the Commission acknowledge WPS's application for a name change.
